Attorney docket no.:	P17596USPC

PETITION UNDER 37 CFR § 1.181 (a)

WITHDRAWAL OF HOLDING OF ABANDONMENT DUE TO FAILURE TO RECEIVE OFFICE ACTION

Applicant hereby petitions for withdrawal of the holding of abandonment in the Notice of Abandonment dated 11/21/2008, based upon the following statement of facts:

1. The above mentioned Notice of Abandonment asserts that applicant failed to respond to the Office Action dated 9 April 2008.
2. Undersigned attorney of record did not receive said Office Communication.
3. As evidence of non-receipt, the undersigned states as follows
 - a. The undersigned attorney's firm utilizes the commercially available patent docking and IP management system "Patricia", produced by Patrix AB, Hilsings Backa Sweden/Patrix USA, Alexandria VA.

- b. Dedicated support staff receives incoming office communications, and enters the mailing date and related deadlines in the reminder system. The Office Communication is scanned and saved electronically under the related matter. The physical document itself is filed in the application file jacket.
- c. A search of the file jacket for this matter has failed to uncover the missing office action.
- d. Attached hereto is the docket and document list for this matter. Item "A" is a "First Office Action Prediction Letter" generated by the USPTO's PAIR database. The item marked "B" is the above-mentioned Notice of Abandonment. Item "C" indicates where the missing Office Action would have been recorded had it been received.
- e. Further attached hereto is a printout from the master docket list showing all incoming USPTO office communications recorded during April, May and June 2008. The un-answered Office Action is missing from this list.

Based upon the foregoing, the applicant respectfully requests that the holding of abandonment be withdrawn, and the Office Action in question be remailed.

Please charge and any and all necessary fees during the pendency of this application to deposit account 501898.

Respectfully submitted,
ONSAGERS AS

Christian D. Abel
